

Castle Pines Storm 2010 Family Agreement

We, the parents of a Castle Pines Storm swimmer, understand and agree with the following important policies of the Castle Pines Storm Swim Team.

1. Each week that a meet is scheduled, all parents or swimmers must let the coach know by Tuesday evening (at the latest) if their swimmer(s) will be attending the next Saturday's meet.
2. It is a pool policy and our policy, that any child under the age of 13 years old must be accompanied by an adult at all meets. The Castle Pines Storm Swim Team is not responsible for your children if left unattended at the pool for any reason. If you leave your children unattended it could jeopardize not only their position on the team but more importantly, their safety.
3. All swim teams rely on the parents to run the swim meets. Each family is required to fulfill volunteer requirements in order for their swimmer to participate. Families that are unable to volunteer at swim meets may "opt out" by indicating below and paying the "opt out fee" of \$250.

_____ I WILL volunteer at swim meets.

_____ I WILL NOT volunteer at swim meets and will pay the \$250 "opt out fee"

4. All team members must be able to swim one length of the pool without grabbing the ropes, side of the pool or touching the bottom during the swim test. If a child cannot do this, we cannot allow them to be on the team for safety purposes. We will refund your money and look forward to seeing you next year.

I live in the following Home Owner's Association _____

_____(child/children)

_____ **I would be willing to be a committee co-chair.**
